Sailor Aluminum Siren and Sailor Iron Mouse are on the move in a park. Since Iron Mouse still hasn't brought back a Star Seed for Sailor Galaxia, Aluminum Siren accompanies her to make sure she doesn't fail her mission.

"Look at that woman over there," Aluminum Siren said to Iron Mouse, "she's the perfect target!"

Indeed, the woman appears to be half asleep on a bench.

"You're right." Said Iron Mouse, while pinning her wrists together. "This time I'm going to have a Star Seed!"

Her golden bracelets begin to glow, and then Iron Mouse notices a dark shadow nearby.

Immediately her body begins to shake with uncontrollable terror. Iron Mouse screams, her bracelets no longer glowing, and she runs out of the park.

The stray black cat, confused, looks at Aluminum Siren and meows. The woman, now awake, leaves. Aluminum Siren is very angry. The target is gone, so is Iron Mouse, and all because of a cat!
